The Premises:

Scarlett just moved into a new flat. Clean and tidy and in a nice area, not too busy but not deserted. Discreet entry via door buzzer/intercom. Bedroom sparse but featured her king size bed - a great playground. She was very proud of it. Even better is the mirrored wardrobe doors.

The Lady:

Scarlett is about 5 ft 2-3, size 6, blonde(dyed), fair complexion, sparkling blue eyes, lovely 34B breasts and a fit firm arse. Nicely dressed in lingerie and heels. Early to mid twenties is my guess (she says 23)

The Story:

We had a friendly cuppa in the kitchen then started sitting on the bed (sofa hadn't been delivered yet) and then progressed to some great DFK full-on snogging. Clothes were removed and we both admired ourselves in her mirrored wall (built in wardrobe doors) at the foot of the bed.

She gave me some great OWO but I couldn't wait to taste the pussy I saw in her gallery on the other site. With tongue and fingers, she came like the furies. Scarlett was very smooth and clean and sweet.

Then on with the overcoat and we had sex in my fav position (piledriver) and hers (doggy) as well as as many others as I could think of. She is lovely and tight and gets very wet (she said she came again) and has just the right amount of sound effects. I came deep in her with her knees almost up to her ears, kissing and tonguing.

A bit of chat and assorted fumbles, she got me hard again with OWO and a hand job but I couldn't manage another round of sex so she had me shoot all over her tits.

More chat (she is a lovely person to chat with as well as doing the dirty) and she got me going again with her hands and mouth but there wasn't much left in the tank. Good effort on her part, though, I can't think when I have had a better two hour punt.

Scarlett loves her job and is very good at it and I think that I will book her for an even longer time.
