The Premises:

Really nice flat in quite large apartment block with excellent facilities. A chair would make it even better! Public car park within 50 yards. Woking railway station about 5 minutes walk.

The Lady:

Stunningly beautiful young lady accurately described on the agency website but even more attractive than the pictures suggest.

The Story:

I had met Kitty almost exactly 2 years ago (and written her first ever field report which was deleted when the agency closed down.) Discovering her again was a delightful surprise. She remembered me, the fact that I had written her first field report and some other more very personal information!

I had a great time with Kitty, who was very responsive and wonderful company. Everything about our time together was brilliant and I warmly recommend Kitty.
