The Premises:

A scruffy flat of a main road through a door obviously used only for this place. A number of rooms with 3 WGs on duty. Whilst the bed looked clean the towel spread on it had obviously been used for other visitors

The Lady:

A slim Roumanian woman aged about 25 with dark hair and small boobs - but large butt. Attractive enough

Her knowledge of English was poor (she had only been in the country a month)

The Story:

Not a great success as a punt - the lady refused any kissing or mutual cuddling. After some effort to raise my enthusiasm she destroyed the condom as she opened it - only to find that it was the only one in the room. The whole thing was then so depressing that I resorted to a HJ, self inflicted whilst the lady sat looking wistfully anywhere but at me.
