The Premises:

very clean apartment with plasma screen pornos playing and soft music.very close to railway museum in york,allocated parking.

The Lady:

5ft 4 blonde,saw her pictures on blonde escorts so thought i would go pay a visit and as expected very attractive and bubblely with a golden brown body,she is slim with nice tits and large nipples.

The Story:

i walked in and was offered a drink,she returned with drink and i then paid her. we both stripped off the she massaged me and tickled and caressed my balls with a very gentle touch,we had a girlfriend experience,we kissed and cuddled then she gave a fantastic oral job without,then a double 69er which was a dream,she then placed on the condom and i took her from behind,(wow what a view)then i layed her down and got ontop then we finished off were debbie was on top and i could not hold back no more,thats when i exploded,very,very enjoyable will with out a doubt return,shame i did not have time to stay a little longer.
