### The Premises:

Although this was my first visit I suspect a well known venue. Well recessed front door. Good standard premises

### The Lady:

Just like her pictures! Sweet, tall and very slim, with pert breasts and lovely bottom. Lovely smile and good eye contact

### The Story:

Everything on her profile is accurate, other than facials. I'd booked 45 mins w/s but due to insufficient time Katie wasn't prepared, so being my first visit I cut to 1/2 hour. Definitely will visit her again for an hour. If you like petite framed girls this is the lady for you. A very satisfying punt
