The Story:

She advertises on the other site - poor service. Asked on phone about french kissing and told 'yes of course'. Asked Holly twice when I arrived and she also said yes of course to french kissing - great I thought. Had a quick shower to wash my important bits and started. Guess what? Yes you've guessed it - no french kissing at all. She seemed only interested in making me cum as quickly as possible and, all through, kept up an annoying mechanical moaning noise as she was working her way up and down my body. Good OWO straightaway but I wanted a bit of a GFE so I slowed her down. She lay completely still with eyes firmly shut as I tried to give her a bit of enjoyment - I'm no Brad Pitt but I'm far from John Sargeant also. Anyway back to mechanical OWO and I enjoyed a nice CIM but overall very unsatisfactory.
