The Premises:

Parlour situated on a main road through two sets of doors and upstairs. Greeted by receptionist had already booked the above mentioned lady and she was ready and waiting when I arrived very good so far. Shown to room by Alexandria which was nice and tidy with a shower and clean towels.

The Lady:

A good looking brunette with long hair and hazel coloured eyes. Alexandria as a nice shapely petite figure a size 6 with 34c enhanced breasts topped off with a fantastic pair of nipples like bullets.

The Story:

Asked what kind of service I wanted which was pretty much basic as I requested. Received owo after a brief massage which soon got me ready for action with gentle kissing and nibbling of my nipples. We kissed and I gave her some oral which was also nice we then had sex in various positions which I enjoyed very much until I came. This was a very good service provided and no rush by Alexandria who talks to you and puts you at ease. Only downside could smell tobacco on her breath but would definitely go back to see her.
