The Premises:

New apartment blocked looked great from the outside.

Inside wasn't the best condition to be honest. Make up stains all over the carpet and not a clean bathroom either as I always like a shower.

The Lady:

Lucy was described as 27 but I'd say she was definitely in her 30s?

a petite body but she hadn't even shaved her legs as I found out when I ran my hand along it! when in the service she had quite bad body odour as well. very off-putting.

The Story:

I did not enjoy this visit one bit. I wasted £60 as far as I am concerned. With the condition of the flat, being lied to about the girl's description over the phone and the body odour and body hair present this was one of the worst punts I've ever had. I would give them a wide berth and spend your money elsewhere. I am used to the establishments in Milton Keynes and they are leagues ahead of this place. I won't be back, a total let down.
