The Premises:

The establishment was very clean with a street front entrance. The rooms and reception area were fine and the receptionist was very friendly and helpful.

The Lady:

Fallon is a tall slim blonde with a beautiful slim figure. I would guess she is in her mid to late twenties. Astrid is also blonde with a nice slim tanned figure with a very cute face and quite a few tattoos. I would say they are very similar ages.

The Story:

I had booked both girls for a fantasy role play session where I had prepared a written role play in advance. I would have to say that the girls were both excellent and performed the roles really well. The role play involved an initial snogging session with Fallon with lots of cuddling. I really enjoyed this and made the most of Fallon's lovely firm breasts as I felt and played with her nipples. I was really quite aroused by this time and I could feel myself twitching as Fallon's tight tummy brushed over my stiffening cock. I was then treated to an excellent covered blowjob as Fallon took me into her mouth. This was heavenly and I had to try really hard not to shoot too early. The next part of the role play then commenced. Astrid burst into the room on the pretence that I had sold her a stolen car and she had recognised me in the reception. She was really mad and as she entered Fallon grabbed me hard and held me down and despite my protests and attempts to get free Astrid pulled up my legs and whilst calling me a list of names and using filthy talk she then proceeded to tell me I was a dirty crooked bastard and began easing a large strapon into me. She looked right at me when doing this and thrust the strapon right up into me and after a few thrusts was thrusting into me as hard as she was able. She grabbed my legs from over her shoulders and this allowed her to push the strapon in even more firmly. This was incredibly horny and Fallon still holding me down shouted encouragement to Astrid who was still giving it her all. After a few minutes Fallon wanted a shot and I got up on all fours as Fallon used her strapon on me. This was not so deep or as frenzied but was exquisite all the same. My arse was well a truly fucked by these two gorgeous girls and it was now their turn. Astrid used her hands to warm me up and slipped a condom on before sitting on top of my erection and as I saw my cock slip into her pussy I felt her muscles tighten as she began to ride me hard. I

could hear her arse cheeks slapping against my legs as she took my length but I could not see it as Fallon had straddled my face and I was enjoying her gorgeous pussy and I spent a good few minutes on this. The next thing was taking Fallon from behind in doggie and as I fucked her as hard as I was able is I grabbed her hips and watched her in the mirror all the while Astrid done some naughty stuff behind me. I was now pretty much worn out and the girls laid me on my back and while the lovely Fallon spent more time on my cock, the naughty Astrid began inserting a dildo into my arse again. Fallon has lovely smooth skin and I was happily caressing her beautiful smooth skin and rubbing her moist pussy. I rather naughtily tried to ease my finger into Fallon's very tight arsehole but was quickly set straight on that. She was not all grumpy but made it clear that there were going to be no fingers in her arsehole. Astrid then used lotion to finish me off by hand with the associated dirty talk.

All in all a wonderfully good punt with two fantastic girls.

The next time I'm in Crewe I suspect that the thought of easing my cock into the lovely Fallon again and maybe even getting to sample the wonderfully tight hole that was off limits last time might be fun. I'm sure too that the exceptional Astrid will be able to reciprocate with me giving both her holes a thorough pounding and I'm really looking forward to the "unconditional" A levels with one of the cutest girls around.

These girls are excellent and this was the best punt ever by a mile.

Astrid/ Fallon,

If you read this Thank you once again to two beautiful sexy girls who rocked my world.
