The Premises:

Flat located above a parade of shops in Chadwell Heath High Road. Entrance is found around the back of the shops, up a metal staircase. Safe enough during the day, not sure about after dark though.

Best place to park is in local Sainsbury's car park, 2 mins walk away, as side streets are crammed. Inside is a well decorated flat with tv and dvd in room. Mattress was pretty knackered though.

The Lady:

Abby is an attractive brunette, as per website pics. Tall with large boobs. When I first reviewed her in 2008, I guessed she was late 20s, but I think this was a little generous, mid 30s would be more accurate.

The Story:

I have seen Abby a couple of times before but this was my first punt with her for 2 years. Enjoyed my previous punts with her, but this one wasn't quite as good.

As before, Abby was happy to wear thigh length boots for me. Started with a massage first, nice and dirty which I enjoyed. Then turned over, and Abby was keen to put the condom on straight away, but I asked if we could have a cuddle first, and she was happy to let me suck her nipples as she touched my body. Was offered FK for an extra ?10, and accepted. Kissing was ok, but have had better from a WG.

Next got Abby to lick my nipples as I felt her boots, she was very good at this, and soon got me going.

Then it was on with the raincoat, and a little oral. Abby then got on top of me and we had sex, with me feeling her boots as she pumped up and down until I could hold no more!

Had a quick chat as we got changed but this was just the unimaginative "what you up to now" type of chat.

Although a decent punt, Abby certainly seemed to rush this punt more than the previous ones I had with her, so I am not sure if I would see her again.
