The Story:

I had arranged to see a different Prestige girl, but Helen phoned a couple of hours before to say she was indisposed, we discussed alternatives and I went for Jade. No Regrets.

She is a confident & self possessed young lady, with a great figure, and very good looking. Well able to chat to a guy 3 times her age

We started on the sofa, (big kisser she is) got naked and moved to bed before getting carried away.

A very sexy lass and I had a ball. I'll leave to readers to decide if the cause was my astounding performance or some very good chocolates, but I had to remind her to pick up the payment before she left!

Lovely bum.
