The Premises:

Reported on so many times before: dedicated free parking (though, in fact, I went by train), and up in the lift. Rooms are clean and welcoming.

The Lady:

Both are Afro-Caribbean, and both are, I'd guess, in their twenties. This was only Keisha's third shift - ever! She had, amazingly, blonde hair (wig, perhaps, but not overly noticeable) and a cracking pair of thighs. Both had smaller tits than I'd normally go for, but they had four excellent nipples between them. In addition, Keisha, in particular, proved to be very tight inside.

The Story:

Rhianna was the other half of a 2G which was a disaster, and which I referred to in FR #98193. The other WG on that occasion, Chelsea - a complete liar and non-performer (and remembered as such by Rhianna) - has recently been given the grand order of the boot, having had at least one other highly uncomplimentary FR here. I have, therefore, only been to Blue Ice twice during the last three months, preferring, instead, to visit Shannon's place around the corner, The Studio.

I had 'phoned the day before to be told that both Daisy and Kiera would be available, and I knew, from many happy experiences in the past, that I'd be certain of a good time with either. It's in the nature, I suppose, of these sorts of establishments, that this info. (i.e., given 24 hours in advance) proved incorrect: both girls had made other arrangements and were not working. However, I was offered Rhianna (with whom I'd ascended in the lift) and Keisha, and I accepted - and was very glad that I did. It was sweet that Rhianna was keen to make up for the bad time before; and we did everything that I like to do in a 2G session: DFK, OWO (?10 each on top of the ?80 basic) and shagging in various positions before a good cum over their bellies while they lay side-by-side with me kneeling with one knee between each pair of thighs, and a hot pussy up against each of my thighs. Finally, a relaxing massage before I went happily on my way (so happily, indeed, that I found myself singing some risqué George Formby lyrics to She-Who-Must-Be-Obeyed Sam on the way out: that's most certainly a first.)
