The Story:

Arrived on time, quick call to confirm room number. I had room overlooking car park and was slightly discombobulated to see her kiss the driver (boyfriend).

Started (and ended) with OWO/CIM; after which she dashed to bathroom to spit and then dressed and left.

Second time I've used this agency and probably the last. I like to think if I am paying for an hour I get an hour...

Recommended for service (nice blow job)
