The Premises:

The place is a dump - a small, nasty little ground floor flat in a rough area of High Wycombe.

The Lady:

Malee has a pretty face and slim body with small tits. She is probably about 19 years old. Oriental girl from Singapore.

The Story:

This lady advertises on **. If you read her profile she is keen on offering all sexual services, but in reality there is not much on offer other than a lame massage and 'no-frills' sex. Anything else costs extra. This includes oral on her/blow jobs/kissing (anything other than penetration).

This was not an enjoyable punt and I was glad to get out of the flat. I do not recommend at all!
