The Story:

Been going to the Retreat for several years the 1st time I saw Gemma and certainly not the last. I like to be dominated and spanked and Gemma was perfect at this. She shouted out me pulled my trousers and Pants down and spanked me hard. Also hit me with the paddle, whip and cane. This left a few marks which was great as its nice to have a reminder for a while of what Gemma did to me.

To finish off Gemma gave me a great oral and didnt rush me at all.

There has been some great girls working at the Retreat over the years and Gemma is the best of the lot I have seen and I will be seeing her again soon.
