The Premises:

Scruffy flat off Regents Park Road. Did not try the shower.

The Lady:

Fairly petite and reasonably slim. Dark hair. Average looks. A bit spotty. Exceptionally fine "bubble" shaped bottom. Pictures on her profile are probably not her, though as face is hidden it is hard to tell either way.

The Story:

Fairly mechanical experience. Hands, penis and mouth all have to be cleaned with various chemicals before any activity is permitted. Missionary position not allowed. Only rear entry permitted but no touching her back due to recent tattoo. Reasonable English.

Would have given a "No" recommendation except for two things:

1. Very low price - ?50 for 30 minutes and ?60 for one hour. At that price, a "no" seems a bit churlish.
2. Her bottom is quite exceptional. Pert, firm, slightly protruberant and very shapely. Anal is available. I did not sample, but I imagine that for anal lovers, she would rank very highly indeed.
