The Premises:

Modern top-floor flat in discreet block just south of the Town. Views over a cricket pitch that your humble reviewer once graced in another lifetime.

The Lady:

Samantha is a gorgeous, naturally-tanned, blonde, Polish girl of mid-twenties and medium height and build. Very pretty, cracking figure and fabulous breasts. Lovely, engaging personality with good English. She's over here to build capital to finance studies over home. Unfortunately going back soon, but may be returning Christmas-time to top up her student fund. If so I'll be knocking for sure.

BTW found her using the new postcode locator tool on the Service Provider Database. Very handy for people who can't/won't travel.

The Story:

Poor girl had a booking cock-up and didn't get there for an hour much to the chagrin of the maid. But I wasn't bothered and tried to put them both at ease about the situation.

So to bed. Skilful and gentle OWO, followed by sex in mish giving me a chance to play with the bazooms. Then onto a furious bout of doggy style with anal play, RO and rimming etc. Finally finished over her superb breasts.

Had long post-coital chat about Poland then it was time to go. Left feeling very, very happy.
