The Premises:

It is a safe area in secluded flats about 5 minutes walk from underground (circle line). No one will notice as the street is always busy.

The Lady:

Caprice is petite girl who is around 20 and the pictures are accurate. Her smile is captivating. She is all natural and proportionate. Caprice keeps herself well preened.

The Story:

The initial introduction was very good and inviting, and on asking about services, she clearly stated all services except A-levels. This suited me down to the ground, as I was more into GFE and owo. My time with Caprice was fantastic, as she responded to my every move. Although OWO was available, CIM wasn't. However, this is OK for me. Her skills with massage is excellent and I had 2 rounds in different positions. She is not a time watcher and wants to ensure your satisfaction. So much so I have visited on more than one occasion now and am looking forward to seeing her again. I have gone off punts for sometime now, but this introduction with Caprice has rejuvenated me like hell!
