The Premises:

Flat near earl's court tube. Entrance a little public but otherwise ok.

The Lady:

Nice young, fit, eastern European girl. Petite but well in proportion and attractive.

The Story:

Sonia is a really fit young Eastern European, who whilst new to the scene, is willing to give things a go and was a good/bordering great, punt.

?

She was clearly a little nervous to begin with but after she'd let me in and we'd exchanged the necessary (and I followed that tight young arse of her's, clad in black stockings!!!) up the stairs to her apartment, I knew it was going to be a good one !

?

Sonia is in that relatively rare category of working girl in London at the moment ? young, fit, polite and provided you treat her well and don't push it to the ridiculous, does her best to accommodate.

?

I explained I wanted a sloppy BJ first-up with lots of spit and eye contact and for her to work on my balls. She did this really well.

?

She wasn't the most experienced, but very natural and very genuine and it made it all the better for it !!!! Superb DFK with tongue and full-on body contact. Her tongue was so willing, burying itself in my mouth at every available opportunity.

?

I don't think she has had too many really hard cocks (no ego intended, but I do get very stiff for the right girl!!!!) and she was struggling to accommodate it into her young mouth. She soldiered-on, slobbering away, drooling ?spit onto my cock and balls and working ?it into a really wet, throbbing mass.

?

Good eye contact throughout and she was always at pains to check I was OK ? which I certainly was !!!!!

?

She's quite small but has a tight young body and it wasn't long before she was on the floor by the edge of the bed, her hungry mouth pounding away on my cock as I lay back and repeated all sorts of dirty things at her.

?

Eventually I could take no more and jetted my hot stream of spunk onto her lovely ripe young tits. CIM was not available, or at least not preferred by her.

?

Next up was a firm fucking on the bed, taking her from behind. She moaned as she accommodated me and I pounded away at her tight young cunt, holding her steady and her shoulder back as she bucked fore and aft. The target was achieved and I could take no more, unloading my wad into the rubber as she shuddered on the end of my cock. Round 3 was a wank-off as she nestled between my legs and kissed my balls until I had completed.

?

All in all a very good punt ? she is well recommended and I might even return, but there's so much fit young talent out there at the minute (if you can avoid the dross/misleading stuff) that I may not opt for it. At least, not quite yet.

?

One final note is that I originally ?booked her as the Agency said she does rimming, but in fact she doesn't ? no huge matter.

?

Well recommended though and if you want a genuine, young and fit girl, Sonia is definitely the one for you !!!!
