The Lady:

Paris is very pretty young lady. Long black hair, petite size 6 or 8?
Short about 5ft 1 and fake tits. Good tit job though. I say around C or D cup. Shes in her mid 20s

The Story:

Down on business in Pembrokeshire. What a complete nightmare getting a escort! I spend two hours ringing round different agencies and searching online. Not one of the major agencies covered the area.

Anyway after searching various escort directories I came across Paris details.

Paris arranged to come and see me and turned up looking very elegant in a smart buisness suit. She had a bag with her, full of interesting things like different sorts of toys and outfits.

Stared with passionate kissing, full tounge and then onto some OWO and RO and then onto some amazing sex. She's a real sex kitten and fucked me all over the place. I think we done all the positions in the Kalma Sulta! We also had some fun with her toys and uniforms. Quite kinky. She loved me licking her pussy and was screaming her head off as she came. I was a little concerned about the hotel staff chucking me out with all the nosie going on!

Finished off with a nice cuddle and chat.

I have no idea where this little sex kitten has been hiding, but her number is now on speed dial.

Highly, Highly recommended.
