The Premises:

As previously reported, a nice little parlour, on street parking, discrete enough entrance.

The Lady:

Age, late 30's I guess but her body could belong to a younger lady. Fantastic breasts and the rest is superb. Also a really friendly lady who seems to enjoy meeting people and her job generally.

The Story:

Gentlemen don't kiss and tell but if you like to spend time with a friendly lady who also seems to like all aspects of sex then Lindsay is for you! I had a wonderful time, great value for money, and left with a smile on my face which endured through a dreadful visit to an airport later in the day. Can't fault any aspect of Lindsay or The Directors Lodge.
