The Premises:

Clean apartment located in the city centre near the shopping area. Parking can be readily available or difficult to find, depending upon whether you want to pay for it or not. The maximum payable per hour is ?1.20 in a premium parking zone, which isn't bad compared to London.

The Lady:

A very tall (5 feet 9 inches or so), attractive, dark haired girl with the most friendly attitude and absolutely gorgeous eyes. Age (at most) in her early twenties.

The Story:

One would expect a how are you? hello, hi type of greeting, but not with Kitty. No, this girl greeted me with a full on deep French Kiss. For me, the best punts are those that include DFK; and what better way to start an appointment than to be greeted in this style?

I had seen Bonnie of MK Angels (my 2nd visit to her) only about an hour ago, so I was a bit exhausted and worried about whether I would be able to perform. When I walked into the apartment my junior was completely limp. In came Kitty, gave me a welcome snog and my junior was as hard as a rod. By know I already knew I was in for a great time with a Keira Knightley lookalike. We laughed and chatted as if we were long lost lovers, but no, this was my first time with Kitty. It was also Kitty's first day in Milton Keynes, yet she seemed so calm and playful and was concerned about providing me with a wonderful time.

I have punted quite a few times before, but I must admit that this was amongst my best punts ever. Earlier this year, I was provided with the best DFK by a lovely, clean escort. It seemed that this record would not be beaten, but Kitty did beat that record by quite a margin. Yes, it was the best DFK I have ever received. I suggested to Kitty that she should be a kissing instructor.

Besides the kissing, all other elements that make up a great punt were there with Kitty.

Luckily Kitty works in a few other places, so I will not have to drive all the way to Milton Keynes to see her next, which I definitely will.

I highly recommend this fantastic girl.

Kitty, I am the Asian fellow. I hope you remember me. I am sorry for this delayed report.
