The Story:

The flat was clean and welcoming. Larissa was looking sexy, She did offer me a drink although I declined. I especially liked her long black hair. Larissa is a friendly and chatty girl. She looked fairly attractive and made me feel comfortable. Her appearance is well groomed and she smelt divine. We started with general chit chat and slowly progressed to kissing, I played with her clit for a while. She let me suck on her nipples whilst I continued to slide my fingers in and out of her. I was pretty hard at this stage, so I started to give it to her. I let her ride me for a little while too, but decided to finish by taking her from behind. Larissa has a shapely arse so this turned me on. I enjoyed my time with Larissa although I do prefer girls with sexy come to bed eyes, I still had a nice time.
