### The Premises:

Clean, modern and tidy and very close to the tube/railway station

### The Lady:

Sandra is a shapely Scandinavian blonde and Lana is East European brunette. Both were very welcoming and dressed for the occasion.

### The Story:

Both ladies were friendly and easy to be with right from the beginning, no awkward moments, nice and easy. A glass of wine to relax, then a quick shower (my choice) before the fun was to begin. And what fun! This was everything I could have asked for from a duo. Both girls are into each other, very relaxed, and most importantly, eager to please. My main thing is double BBBJ, and I had more of that than I could have imagined possible. Totally unbelievable, loved every minute of it, every which way I wanted! Then a doggy and a mish with each before literally blowing my load with their lips both wrapped around my bellend, both girls guzzling up every drop of my cum! I could not have asked for a better date, deffo recommended if you're into a duo experience that you won't forget!
