The Premises:

As previously reported, very clean and efficient. It was my first time here and I was impressed.

The Lady:

Hanna is blonde, shaven, slim and has amazing arse. She is older than she looks and was wearing black hold-ups and little else. She was pleasant, talkative and intelligent.

The Story:

Hanna was adept at using the single bed to her advantage and managed a gentle and professional massage. The sight of her arse in the mirror was truly amazing and was considerably more interesting to watch than the porn film on the video.

I then turned over and she rubbed her tits over me before asking what service I wanted. I opted for covered oral and sex.

Her oral technique was awesome and my visit almost ended too soon but I managed to hold back. She then climbed on top and managed an impressive display of sex acrobatic. I fished off from behind which gave a truly spectacular view of her amazing arse.

Hanna is a true professional and both her and Club Classique are well worth a trip to Loughborough.
