The Premises:

Arrived at the apartment, smart ground floor, spacious, nice decorated, clean and welcoming. Area was busy but safe with no one watching you enter.

The Lady:

Tammy was exactly as the website shows, but a hundred times better in reality. The first thing that struck me was her smile when she entered the room and the eye to eye contact, a very nice start. Tammy was wearing a black dress as in the pictures with some nice underwear (which didn't stay on for too long)

The Story:

After reading the reviews for Tammy and having visited both House of Divine in London and Milton Keynes before I decided on an hour at lunchtime.

Arrived on time and was greeted by a friendly maid and shown to a nice big room with en-suite bathroom whilst Tammy got herself ready, was offered a range of drinks.

Tammy walked in the room and was like a ray of sunshine came in, nice big smile and eye contact before she walked over said hello and proceeded to snog me like a long lost girlfriend, naturally having a sexy red head scantily dressed caressing my bum whilst kissing made some movement and as she kissed my neck suggested my trousers shouldn't be on.

After an assisted shower we moved back to the bed..

A skillful and wonderful blow job was next, deep and slow.. wasn't long before I could feel the juices rising, so we proceeded to have a snog and an affectionate cuddle before more sucking and licking brought me off all over Tammy's boobs and neck.

Another quick washdown and a nice chat Tammy couldn't resist playing with my balls and getting me all hard again, I decided I had to thank her for her blow and give her a good pounding which we did in many positions before I emptied myself again in doggie style. Tammy's little bum looked so gorgeous, I really wanted some anal but was too shy to ask, not sure if on offer for everyone, but I'll be back and ask next time :-)

We finished off kissing cuddling and chatting.

I would recommend Tammy as an all round package, someone to be yourself with, someone to talk to like a girlfriend, but also someone who goes out of her way to make your experience a great one. She really enjoys the time we have together and of the people I have seen previously she is by far

the best.
