### The Premises:

My place

### The Lady:

Cute, petite, very naturally pretty with slim figure and big natural boobs - great combo! Great bum too.

### The Story:

Nikita arrived on time and was lots of fun, putting a good effort into her performance which includes bbj. She is quite loud and made me feel very good - some escorts make you feel like they are doing you a favour, but not this one. Also very talkative and a bit bonkers.

At one point she began screaming in terror and I thought something had happened to her, but it turned out she had just seen a spider!

I should point out that CIM/facials is charged extra (?20) and fk is apparently discretionary (was on the cards for me though).

Another good punt from this friendly agency :)
