The Premises:

Not her usual apartment as it was occupied by another - instead she arranged for a quick visit to her home so as to not let me down.

The Lady:

Thirty-five, tall, truly a MILF. Skinny top, lovely arse. Bizarrely reminded me of an ex-boss that I'd once had the unrequited hots for.

The Story:

She was dressed in a business suit and started immediately on me with a fabulous BBBJ, swallowed whole. Light, teasing banter followed that shows she has a surprising side to what she likes, and why she likes what she does. She responded to what I said I liked too, and next thing I knew, her hand was in my arse and I had a truly delicious second coming. She insisted that I perform a third time, which I did. I drove home happy.

Next time, I think I may explore the submissive side she hinted at.
