The Premises:

Well-known establishment, about 25 minutes walk from train station. Quiet after 6 PM.

The Lady:

Lovely 34 year-old Indian lady with a 32D bust and a sensuous touch. A former independent worker, who conducts herself very professionally and refrained from posing question exc. My name. A confident conversationalist with an astute intelligence.

The Story:

This was a very enjoyable punt with a lady who makes one at ease from the outset. I gleamed an initial trepidation, but this was soon quelled once she realised my sincerity and genuineness. She had a recherché manner with the skin to match. A well-proportioned figure with an exquisite oral gentleness, which drew the most sublime drawn-out pleasure. She was exceedingly accommodating about sundry positions and made no pretentious acts. This is a new lady at this establishment and the freshness was abundantly obvious. Thoroughly recommended.
