The Premises:

Modern clean and comfortable purpose built flat in block next door to Travelodge and Asda (use their car park). Safe any secure entry phone for which Sarah will give codes. If you have difficulty finding, stand outside Travelodge main entrance and too right is a wheelchair ramp which leads to entry to her block.

The Lady:

Gorgeous Polish girl, at least mid twenties with a curvy figure, wicked smile and very positive attitude. A bit of TLC works wonders, and is rewarded several fold! Probably size 8/10, wonderful responsive nipples atop small round aureloa, neat trim pussy which cries out to be licked and is tight inside, all wrapped up in a lovely soft golden skin.

The Story:

I have no doubt that my wishes for a simple GFE were well within Sarah's capabilities, however despite some initial difficulties finding the flat, and my usual slow start due to my age/build etc. this lovely lady came through with an absolutely top notch punt.

She is still fresh and enjoyable; visit while you can because I'll give her 12 months and she'll be gone back to Poland, and missed!
