The Premises:

Nice clean smart hotel in the Knightsbridge area. I had the room number, but Reception staff initially quizzed me as the lift was adjacent to the Reception desk but allowed me to go up

The Lady:

Beautiful Thai girl with an incredible hour glass figure and a rear end that would do justice to JL
Long flowing dark brown hair, small tasteful tattoo on her tummy. Smartly attired in a figure hugging short dress concealing a black bra and a skimpy thong

The Story:

I had established a good rapport with Jasmine initially by e-mail and txt correspondence, and learned that this was her first foray in escorting and that I would be her very first client (lucky me!)
She is very clear that she only wants to see clean and reliable men who will treat her well and with respect. Arrangements had been made for me to meet her at a friend's place in Earls Court, but her friend let her down, so on her own initiative, Jasmine booked and paid for a hotel room for us to meet!
Upon meeting, Jasmine was a little nervous and having gained her confidence we settled down to some serious love making
I won't go into the details - but she was very good and extremely passionate. Normally I would not do a FR so as to keep her to myself, but she specifically asked me to do one for her, so as to gain a client base - so I reluctantly agreed. Jasmine is seeking to build up a very small group of regulars. Anyway I intend to be one, so I shall be back. I left and walked down Brompton Road still tingling and on top of the world - thank you Jasmine !
