The Lady:

Sonja is nice and friendly Hungarian lady in her mid/late thirties and very friendly and nice and lovely with lovely attitude and personality

The Story:

This is the house that I have mentioned in other report for Judy. I Sonja yesterday and I have decided to see her today.

Sonja is nice and friendly lady with nice personality and she has high sex drive. We had lots of fun with lots of various sexual activities, lots of close wraparound hugs and cuddles and lots of eye contact and lots of French kissing, OWO, CIM, reverse oral, massage, reverse massage, rimming, reverse rimming, 69 oral, 69 rimming, different positions, Body/ Foot worship, and lots of sensual foreplay and lots of fun and sexy time etc etc. Sonja has very high sex drive and we had non stop action and she love various sexual activities. we had lots of sweats and sticky and at the end, I was completely exhausted. Sonja is sexually very active the whole experience was mixture of GFE and PSE

Normally, when I see the profile on that site, they have lots enjoy list but when you go there only basic activities are offered, but in Sonja?s case, her profile say less enjoy list, but she enjoys more than I expected. I am very pleased with two hours of fun that only cost 120 pounds.

When I rang the bell, Sonja open the door and other girls were sitting in the kitchen area and said hello. In this house, all the girls are very happy and friendly and they are happy to converse with me about seeing other girls in turn and offered me coffee and biscuits and asked to sit with them in the dining table while Sonja have a shower. The girls are very friendly and easy going and fun to be with. I think that some naughty things going on within them self in private, Ooh la la !!

I will see other girls Tina and Nina soon, but Nina on holiday and she will be back in three weeks time

Her photos on the web site are of hers. If you need more information, email me

If you like mature ladies with high sex drive then I highly recommend Sonja for hot steamy sexy time
