Nice and clean apartment in convenient and easy to find location.

The Lady:

Stunning black lady with lovely big boobs and nipples in her late teens or early twenties. This lady is the most attractive escort I have visited so far and the phrase drop dead gorgeous certainly applies to this lady

The Story:

I found Honey to be a friendly lady. The hour I spent with her was sheer bliss and consisted of plenty of kissing and hugging and felt and certainly felt like a girlfriend experience. Honey made every effort to ensure I had a good session and was happy to comply with requests. This lady is another good find in an area with a limited punting scene. She was particularly good at giving hand relief.
