### The Premises:

Pretty well reported. Shannon, who runs this place, is very security-conscious, it's discreet, well-appointed, and there's plenty of parking.

### The Lady:

Both are in their early-thirties, I guess. Chloe has large pert boobs and a nice curvy figure. Taylor has smaller boobs, but legs that go on forever: she seems to be near-enough 6ft. tall - and most of that is leg! She is slim, and both have nice long hair.

### The Story:

Wow! (as goes the vernacular these days, it seems.) This was Taylor's only second-ever shift, and she'd never done a 2G before. It seems that she has known Chloe (whom I've visited a couple of times before) for years, and, having decided to get into this trade, had asked her mate Chloe to put in a good word for her. I am very glad that she did, because, in addition to those legs and tits and everything, she has a rather sweet and gentle nature.

Did all the usual things (these reports must be getting boring, though, to be different, I actually came inside Chloe in a fantastically sexy and irresistible doggy when I last saw her, a few days ago): included were DFK and OWO with both, multiple-position shagging with both, filthy encouragement from both, all before a good cumming all over Taylor's tits while standing up snogging Chloe. The usual calm-down gentle massage to finish. A truly excellent punt, which is what I've already reported to receptionist and maid Briony, who was gathering opinion on new-girl Taylor (very proper and professional!), and who - bless her - had made my tea - milk, no sugar - ready by the time that I'd arrived, having called ahead from ten minutes away. All-round service doesn't get much better than this.
