The Premises:

Discrete entrance even though near town centre. Bath cum shower and a selection of pleasant rooms. Friendly receptionist Holly looks after you without fuss.

The Lady:

Caribbean delight with a cheeky smile and laugh and a really exciting girl to be with. Sensational bum and boobs share the same firm characteristic and both are lovely shapes.

The Story:

It was time to see Ashanti again and I just love everything about her.

Delighted to see you and simply wants you to have a great time, which is easy with her stunning body and relaxed manner.

We chat like old friends and just happen to do really sexy stuff at the same time - like having the most willing and interesting mistress I imagine.

One tip: when she comes, stay still and leave her alone (don't remove yourself), not even a tickle, while the super-sensitive phase passes; just admire the effect you've achieved.
