The Premises:

Apartment in the Chinatown/Arcadian area - built 3 years ago. Shanice moved here recently and one of the bedrooms is still being decorated. Nice big bed, and decent sized bathroom.

The Lady:

Shanice certainly lives up to the big and beautiful in BBW. You can check the photos on her website, and seeing this gorgeous black ebony woman in the flesh is even better. Fabulous huge tits, a wonderful curvy body and a great selection of sexy outfits.

The Story:

Make an effort, and you will be rewarded (I've kept coming back - this was my fourth time). Loved sucking her nipples, and then licking her pussy until she came. She gives a fantastic massage, rubbing those enormous boobs right into your body, and then I went for a nice oily hand job while gazing at her massive oiled tits. Very special girl who offers a variety of services and doesn't clockwatch - treat her with respect and you'll have a fabulous time.
