Good looking, slim, well toned, and her description on the web made me pick her.

The Story:

Had a shower and she just laid on the bed looking very tired and bored. Unfortunately this continued on the bed and it was not an enjoyable punt, possible my worst ever here. She had no enthusiasm, drive and her get up and go had gone. O without was good but nothing special, made nher go on top and do some work, but she just wasnt at the races and I just shot my duff and got out quickly. Could have been me, but then I am the customer.
