Central London flat - discreet and tidy. Safe area.

The Lady:

Beautiful Asian lady - fair complexion, long hair, shy with an alluring smile and fabulous curves. She does come across as a shy & reserved and is also very softly spoken. Firm thighs, busty and a lovely shapely bum... think of J.Lo's rear and you'll know exactly what I mean. Very womanly ! She's got such a lovely personality too..

She has silky soft skin and I just love her nipples, pale brown and large - once you start to kiss and play with them they become very pert...I should also state that Yasmin standing full frontal with her fabulous breasts exposed and shaved mound on display is a joy to behold !

The Story:

That evening, she came in fresh from the shower and was wrapped in only a towel & heels. Instant erection ! Lol :-) Her hair and skin smelt heavenly, so I couldn't resist helping her to dry off whilst kissing her bare body. It was then time to gently lay her on the bed so that I could start to have my way with her.

I've been with her many times before and we've had some great sexual encounters in the past. That evening though, I remember holding her ankles so that her legs were splayed wide apart as I let my cock plunge in and out of her warm & damp pussy. Pounded away until I finally came and lay exhausted on top of her.

Yasmin's blessed with a lovely deep, accommodating vagina and there's lots of sensation when I'm inside her. I do really like the fact that she can take me all the way without difficulty, and doesn't mind me taking my time to savour her intimately. She gives good oral too, but to be blunt- it's that wonderful pussy that I most enjoy.. !

As I write this, I know that she's recently left this establishment. I've had sex with so many Asian girls but still wrote the review, as Yasmin's one of the most beautiful.. and I've spent many

memorable evenings between the thighs of this particular lady :-)
