### The Premises:

Abigails needs a refurbishment. The entrance is on a main road and you have to stand in an open doorway with your back to a busy garage until the door is opened - a bit embarrassing and would put locals off. There are three rooms I think and I was shown into a jacuzzi room with shower over.

### The Lady:

Only one girl available but I wasn't disappointed, Dionne is slender black girl with a very welcoming disposition. She told me is 40 but looks much younger.

### The Story:

Dionne led me upstairs and gave me a wonderful view of her small round arse. After a shower I was joined by Dionne and we quickly got into DFK whilst I slowly undressed her. Small tits but wonderful nipples. Onto the bed and we explored each others bodies. I asked for OWO (an extra ?10 on top of the inclusive rate of ?45 for 30 minutes). She gave me an extraordinary BJ - lots of sucking and eye contact. I nearly shot my load but managed to contain myself to fuck her briefly in mish - she seemed genuinely sorry I came so quickly as she was obviously enjoying things. Another shower and chat before leaving. Nice kiss again at the door. Very good punt.
