The Story:

Roxy has been at Brooklyns before but for whatever reason despite her being recommended to me I'd never managed to see her, she's been away for about six months so as soon as I saw she'd returned I booked in to see her.

I was not disappointed.

Roxy listened to what I wanted - and to be fair it was complex - and then enthusiastically threw herself into the scene. She put 100% into everything she did and was an absolute joy to be with, by far and away the best punt I have had not just at Brooklyns but anywhere.

As a Brooklyns regular I've had some mixed experiences of late but this has restored my faith completely, I will most definitely be seeing Roxy again and again and would encourage anyone else to see her too, she is versatile, accommodating and best of all enthusiastic and pleasant (not to mention damned attractive).
