The Premises:

A copy of 'Men's Health' lay on the sofa. I'd read it last week.

The Lady:

Claudia is petite and beautifully proportioned; her hair raven and lustrous; her cheeks faintly freckled; her eyes dark chocolate; her body firm and toned; her skin smooth and light; her pubes pristine and adorned with a precision trimmed landing strip.

The Story:

Claudia arrives punctually. There were few words; she's cool and controlled; but don't mistake the innocent visage for reticence: just beneath the surface lurks a hungry tigress.

Her massage is light and gentle, ending with soft kisses to my shoulders and neck; tenderly she nibbled my earlobes; her hot breath hissed like the waves at Ipanema. I turned and traced a lingering trail from her lips to her nipples to her belly before sinking into her love mound? RO was abbreviated by a smart conversion into a steamy 'sessenta e nove'. During which she artfully slipped the jacket on, pulled herself forward, straddled my dong and rode me in a classic reverse cowgirl. Normally such a display would make short work of me. But what followed included grinding bulldog, mish, spoons, more mish and other positions I couldn't even name. The old man was pounded into oblivion.

Reduced to a sweaty pulp and slowly overheating I began to despair of the knock at the door. Undeterred Claudia discarded the jacket and initiated a long and sensuous HJ; whispering dirty exhortations, blowing cooling drafts of air, tendering sweet kisses and teasing flicks of her tongue; all the while steadily and patiently pumping my cock until the long awaited coup-de-grace was delivered in a shower of silver bullets.

Claudia's sexual finesse is underscored by a subtle undertone of assertiveness. Throughout she maintains a very alluring and engaging eye contact; it's compelling, raunchy and it's unique to her.
