The Premises:

London hotel. Central and clean. Standard place of good quality.

The Lady:

Tall, long hair ('titan red' at present). Gorgeous smile. Stacked with the most amazing (enhanced) boobs I have had the privilege to encounter on a slim frame. 30 something goddess.

The Story:

Met Stephanie on a recent trip by me to the UK. She was/is on tour to London from Newcastle and says she will spend more time down south - hopefully permanently. She is also on AnotherWeb site and other than a negative on A, she offers the full PSE. Pictures on the web site do not do her justice.

Had an outstanding two hours with her. Very experienced and sensitive to my reactions, she is also very kinky and very sensual. Oral skills of Cleopatra and is also a lively, funny bubbly character. Could be a gymnast with her contortions. British but not a Geordie. Hope she moves down to London for good. Exceptional value for money for the class and quality she offers but demand will drive her price up. Would certainly see again and soon.
