The Premises:

Ruth now works from a charming period house not far from Kendal town centre. I would describe it as the "Stately Home" of punting. The house is in perfect proportion (just like Ruth) and furnished in appropriate style.

If you park as directed you will only be 150 yards from the front door. Ruth's directions are simple and clear.

It costs ?2.10 to park for 2 hours and you may need to allow time to find a slot in the summer as there are quite a few tourists about.

The Lady:

The photographs on Ruth's web site are accurate but do not convey the fine bone china appearance of the soft skin. She is 5'-3" tall and a size 10 with shapely curves in all the right places.

The Story:

The fact that Ruth has over 25 reports on here and elsewhere, with not a single adverse comment says everything about the lady. Ruth had dressed as I had requested. I think she enjoys showing off items from her lingerie collection, as well as her range of shoes.

The term GFE hardly does justice to the service Ruth provides. I do not intend to give a blow by blow account but if you read her site and understand what she says she does, then trust me, she does it, and with great enthusiasm.

I was bowled over by her 4 poster bed which we left rather dishevelled due to our energetic romping. After we had finished we lay together in each others arms and set the world to rights. I even had a short guided tour (just like a stately home) before taking my leave of a very special lady.
