The Lady:

Gorgeous. Lovely long legs, a tight shapely bottom, magnificent breasts and beautiful brown eyes. She arrived in a very sexy little dress and brought a range of outfits to tease me in - making a particularly sexy little business woman.

The Story:

A really sweet lovely girl. My first visit to an escort and she made me feel at ease very quickly. Nice kissing to start then she posed sexily to get me going - which she did with some style! During the evening she was willing to wear and show off in a range of outfits and really knew how to make the most of them. Without going into the gory details the sex was wonderful - owo and sex in a range of positions, Kit proved particularly lithe and agile - she really did make my first experience special. Treat this lady well to get the most out of her guys - and a great time is there to be had! Thank you, Kit.
