The Premises:

Bunnies is located in an old single storey converted builders unit, for the rates charged to the punter it's a bit ropery to be fair. Rooms are tiny with no windows or ventilation and consequently it's extremely hot and smells rather unpleasant, like a sweaty sports changing room! On the positive side, the staff are very friendly and polite and it's situated in a very safe residential area.

The Lady:

Roxy is a lovely girl, mixed race, petite figure, pretty face, gorgeous bum. She's extremely good at her job and appears to genuinely enjoy what she's doing, smiling, chatty, friendly and wicked! 10/10

The Story:

I paid for a GFE with CIM. Roxy gives the full service with real enthusiasm, deep lingering kissing, the best blowjob you'll get anywhere, lots of eye contact, licking, spitting on cock etc. I won't list every detail of what took place but she was so good at what she did that I couldn't control the old fella while she was riding me cowgirl style and the session was brought to a rather quicker conclusion than I'd have liked, lol. As I didn't get round to the CIM, Roxy very kindly offered to refund the money for that particular extra.

I enjoyed it for sure but if the environment was cleaner it would have been so much better, if it were not for Roxy's obvious talents I'm not sure I'd visit again tbh.
