The Premises:

Clean, nicely decorated, safe area and relatively discreet.

The Lady:

Very attractive, elegant and sexy. Her photos are blurred on the website and she didn't have any field reports to speak of when I booked her so I was taking a bit of a gamble here. However, it was a gamble that more than paid off. She is beautiful.

The Story:

I explained to her at the start that I was new to this and a bit nervous. She was very understanding and offered me a massage to calm me down. I won't go into detail about what happened afterwards, but needless to say it was very enjoyable!

Jess is not only very sexy, but also very friendly and kind. It was very nice to meet her and I would definitely recommend.
