### The Premises:

We met at my place and then we went out for a meal and followed by the theatre. It was a pleasure to have the company of a tall beautiful woman. Well isn't this most mens dreams !

### The Lady:

Amanda arrived beautifully dressed in a smart trouser suit and had clearly made an effort over her experience.

She arrived on time, despite having faced a considerable drive out of her way to get to visit me.

Amanda as I said a tall beautiful woman, with dark blonde hair. She is clearly an intelligent woman and is fabulous company on so many levels.

### The Story:

As I said Amanda arrived smartly dressed in a trouser suit, which was entirely appropriate as we were heading out to dinner and then the theatre.

However, I would like to comment that once we arrived back at my place afterwards, I got to see what was underneath her trouser suit ? All I will say at this point is that what was underneath was certainly not conservative and certainly well worth the wait.

I can highly recommend this tall beautiful woman, and will definitely be looking to meet Amanda again when she is down ?South?.
