The Premises:

Reasonable massage parlour on a main road so not very discrete. Entrance via a side alley. Okay inside if a little dark. Very annoying music playing in all the rooms and porn film playing with sound off. This place has been here donkies years. Plenty of parking but you have to pay and display.

The Lady:

Ruby is a very sexy "indian" girl, although i think she is more like South American. Great fit, toned body, dark skin, black shoulder length hair. Firm breasts and very round sexy bum. ALL services available with this hot chic.

The Story:

All three girls looked hot, but chose Ruby for her bum and sexy lace outfit. Turned out a good choice. Had one hell of a hot session. Ruby loves her line of work and does anything to please, as long as its safe and uses plenty of condoms. Gave me one to fingure her with and also likes fingures up the bum, again with a comdom.

Ruby gave a passionate, rampant service. good covered bj, 69 which went wild with Ruby cumming all over my face and hair. Hard doggy at Rubies request then finished by another 69 and great hand job.

Good snogg to say goodbye with.
