The Premises:

Modern ground floor flat in new block just outside town centre. Easy parking in Tesco car park. Very clean and tidy.

The Lady:

Mimi is a petite Chinese girl with slim body and long black hair. Would say she is probably in her early twenties. Small tits like most oriental girls but pert responsive nipples. Nicely trimmed pussy.

The Story:

Given directions by maid who "talked me in" to find correct block. Sorted the paperwork and met Mimi. Nice but closed mouth kisses. First a firm massage - she really has strong fingers. Towards the end more gentle and teasing my balls. Turned over and asked for OWO. Agreed another ?10 for the service and promised not to CIM. The BBJ was fantastic. Lots of eye contact whilst licking, sucking and the deepest deep throat I have ever had. She took me so deep it was almost painful. Then on with the overcoat for doggy and finally finished with mish. Mimi has a tight and responsive fanny. Exploded in a great orgasm. Asked if I wanted more massage and she gave me a very nice shoulder and head massage. Mimi is quite a find but don't think she is going to be there very long before returning to London. I will try to see her again before she does. Treat her nicely and you are in for a real treat.
