The Lady:

Jojo has beautiful long brunette hair and beautiful exotic eyes. She looked eastern european in her photos, but it turned out she is a Thai and Rumanian mix. Her english wasn't that good and I was a little disappointed that we couldn't make much conversation.

The Story:

She met me at the door wearing a smile and a see-thru mesh body stocking. After taking a quick shower, we moved to the bedroom and she immediately started an eager BBBJ, then 69, cowgirl, mish and lazy doggie, then we took a break. She then expertly stroked me to full attention again and we continued in mish to a very happy ending. Jojo tries hard to please her man and I'd meet her again after her english improves.
